How Brierley Field Children's Nursery Can Suit Your Family's Needs:

- We have two nursery settings in the S8 area, Brierley Field Nursery S8 7UT and Chantreyland Nursey S8 8JW. Both settings are open from 07.15-18.00 daily, 52 weeks a year, only closing for bank holidays and weekends.
- The nursery is close to Graves Park, and we make good use of its amenities with regular trips with the children.
- The nursery has a secure play area and garden for the children and great emphasis is attached to the outdoor area.
- We are a very family-orientated nursery and form close relationships with all out parents, children and staff.
- We have high staff:children ratio, above that required in school class rooms where ratios could be 1 teacher:30 children all the national standers are met or exceeded.
- Successive Ofsted reports have complimented the staff care, hygiene and cleanliness and outdoor play.
- We have social occasions for all our families such as a garden party, a Christmas show and parents evening to embrace parents as partners.
- All our staff are qualified to at least a level 3 stranded or training towards a Level 3 and all staff have a paediatric first aid qualification.
- All staff have opportunity to continue their professional training whilst they are here.
- We have received a training award from Sheffield Collage for providing positive training experiences for NVQ students.
- Bellissimo Food Ltd prepares fresh meals for the children each day, taking into account dietary needs and family wishes. Morning and afternoon snacks and milk are prepared in the nursery kitchen.
- At nursery, eating is a social occasion and good manners are encouraged at all times with food and drink taken at the table.
- Children have the opportunity to cook for themselves, bake and prepare foods from different cultures to learn about diversity.
- A survey of children's dental health, shows there has been a significant rise in tooth decay in children under five, therefore we do not give our children any fizzy drink, and only give sweet treat by prior arrangement.
- All of our children have access to music and movement.
- In the nursery's vicinity there are no high voltage electrical cables, telephone masts or transformers and as we are away from all main traffic routes, we have very little air pollution from vehicles.
- 3 settling in sessions are offered before the child starts.
