### **How Heywood House Children's Nursery Can Suit Your Family's Needs:**

- We have three children's nurseries within our group. Heywood House Nursery, 15 High Street, Brimington, S43 1DE and two nurseries in the south of Sheffield, Chantreyland Nursery, S8 8JW and Brierley Field Nursery, S8 7UT
- All our settings are open from 07.15am-18.00pm daily, 52 weeks a year, only closing for bank holidays and weekends. We offer childcare for children from 3 months old to 5 years old.
- We are a very family-orientated nursery and form close relationships with all our parents, children and staff. Our ethos is to provide the highest quality care for every child in a safe and friendly environment. This enables all our children to learn whilst having fun and reaching their full potential in preparation for school.
- Heywood House is a grade II listed building, which has been substantially renovated in 2024. Within it there are 5 spacious children's rooms.
- Heywood House has a large secure outdoor space, including a substantial play area and garden for the children. Great emphasis is attached to outdoor learning surrounded by nature.
- We make use of local amenities such as parks and libraries with regular trips out with the children.
- We have high staff:children ratio, above that required in school class rooms where ratios could be 1 teacher:30 children. All the national standards are met or exceeded.
- All our staff are qualified to at least a level 3 standard, or are training towards a Level 3 qualification. All staff have opportunity to continue their professional training whilst in employment.
- All staff have a paediatric first aid qualification.
- We offer social occasions for all our families, such as a garden party, a Christmas show and parents evening to embrace parents and carers as partners.
- Bellissimo Food prepares fresh meals for the children each day, taking into account dietary needs and family wishes. Morning and afternoon snacks and milk are prepared in the nursery.
- At nursery, eating is a social occasion and good manners are encouraged at all times with food and drink taken at the table.
- Children have the opportunity to cook for themselves, bake and prepare foods from different cultures to learn about diversity.
